Re: 163-15939  
First Administrative Amendment to  
FESOP 163-14132-03408

Dear Mr. Thomas:

J. H. Rudolph and Company, Inc. was issued a permit on December 9, 1996, for the operation of a hot drum-mix asphalt plant. A letter requesting permit changes was received on April 29, 2002. The changes are related to the addition of two (2) 200 ton hot mix asphalt storage silos with negligible emissions. According to 326 IAC 2-7-11(a)(8), an administrative amendment may be used for a change that "revises descriptive information where the revision will not trigger a new applicable requirement or violate a permit term". The changes requested meet this requirement, therefore pursuant to the provisions of 2-7-11 the permit is hereby administratively amended as follows (~~strikeout~~ to show deletions and **bold** to show additions):

(1) The description in Section A.3 is amended as follows:

A.3 Insignificant Activities [326 IAC 2-7-1(21)] [326 IAC 2-8-3(c)(3)(I)]

This stationary source also includes the following insignificant activities, as defined in 326 IAC 2-7-1(21):

- (a) Natural gas-fired combustion sources with a heat input equal to or less than 10 million British thermal units per hour;
- (b) Propane or liquefied petroleum gas, or butane-fired combustion sources with heat input equal to or less than 6 million British thermal units per hour;
- (c) Replacement of repair of electrostatic precipitators, bags in baghouses, and filters in other air filtration equipment;
- (d) A laboratory as defined in 326 IAC 2-7-1(20)(C); ~~and~~
- (e) Paved and unpaved roadways ;**and**
- (f) **Two (2) hot mix asphalt storage silos, each with a maximum storage capacity of 200 tons.**

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment and the following revised permit pages to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Madhurima Moulik, at (800) 451-6027, press 0 and ask for Madhurima Moulik or extension 3-0868, or dial (317) 233-0868.
